

Important to Note

- Users with **Datascientists** or **Data Analysts** access rights may be changed to **Reader** if they are inactive for over 3 months period.
- Data can be seen by administrator. Please read the data privacy rules for more information.
- Projects that are inactive or not used for more over 5 months will be deleted.
- Ensure the data and flow of the projects are optimized such that the server is not loaded with huge gigabytes of data. This is expensive and please read the [best practices](#) to learn ways to optimize the work.

For more information, please contact theSolvay's [Big Data & Analytics team](#).
