- New automated process rules have been set up, depending on the GBU.
 1. If the selected GBU is "Special chem" : If the reviewed price you enter is above or equal to the Target Price, the commitment status will be automatically set from "Pending Review" to "Approved Status"
 2. If the selected GBU is "Peroxides" :
 - a) If $(\text{Reviewed Price} - \text{Target Price}) / \text{Target Price} \geq -0.05$, the status is set to "approved"
 - b) If the Status is "Assigned" and $\text{Reviewed Price} > 0$ and $(\text{Reviewed Price} - \text{Target Price}) / \text{Target Price} < 0.05$, the status is set to "Pending Review"
 3. Otherwise :
 - a) If $\text{Reviewed Price} \geq \text{Target Price}$, the status is set to "Approved"
 - b) If the Status is "Assigned" and $\text{Reviewed Price} > 0$ and $\text{Reviewed Price} < \text{Target Price}$, the status is set to "Pending Review"

 If the field **Frozen** is checked the commitment can't be edited anymore.
