- New automated process rules have been set up, depending on the GBU.
 1. If the selected GBU is "Special chem" : If the reviewed price you enter is above or equal to the Target Price, the commitment status v be automatically set from "Pending Review" to "Approved Status"
 2. If the selected GBU is "Peroxides" :
 - a) If $(\text{Reviewed Price} - \text{Target Price}) / \text{Target Price} \geq -0.05$, the status is set to "approved"
 - b) If the Status is "Assigned" and $\text{Reviewed Price} > 0$ and $(\text{Reviewed Price} - \text{Target Price}) / \text{Target Price} < 0.05$, the status is set to "Pending Review"
 3. Otherwise :
 - a) If $\text{Reviewed Price} \geq \text{Target Price}$, the status is set to "Approved"
 - b) If the Status is "Assigned" and $\text{Reviewed Price} > 0$ and $\text{Reviewed Price} < \text{Target Price}$, the status is set to "Pending Review"

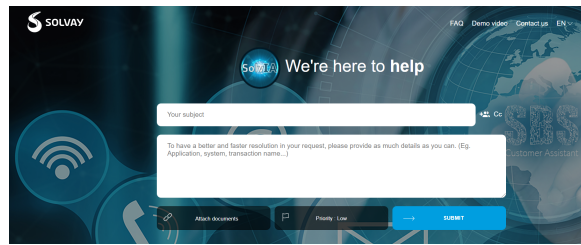

If the field **Frozen** is checked the commitment can't be edited anymore.
