

D. Need Help

How to ask for assistance?

Dear SAP Ariba Sourcing user,

For any question, issue and additional training, please:

- contact: eauction@solway.com

For any technical issues, please:

- contact: [SAP Ariba Help Center](#)

In regards of user account creation, please note that access to the platform is bound to training completion.

Training sessions are available on Solway Yougrow page.

Thank you!
