

# How to manage page / blog post watchers list

**Prerequisite:** You must have at least Space Admin role to perform this action

Action	Remarks
<p>Access to the page / blog post that you wish to manage watcher list.</p>	 <p>The screenshot shows a SharePoint page titled "Second Test Blog" with a "Watching" button in the top right corner, highlighted with a red box. A dropdown menu is open, showing options to "Watch blog post", "Watch for new blog posts in this space", and "Watch all content in this space". The "Manage Watchers" link at the bottom of the menu is also highlighted with a red box.</p>
<p>You can manage watcher for individual page / blog post or the entire space.</p> <p><b>Action:</b></p> <p>Add user to watchers list</p> <p>Remove user from watchers list</p>	 <p>The screenshot shows the "Manage Watchers" dialog box. It has two sections: "Watching this page" and "Watching this space". Each section has a text input field for "Full name or username" and an "Add" button, both highlighted with red boxes. There is also a trash icon next to the user "Wee Shen, Benard Kee (bkee)" in both sections.</p>
