

4. Add a Main Picture

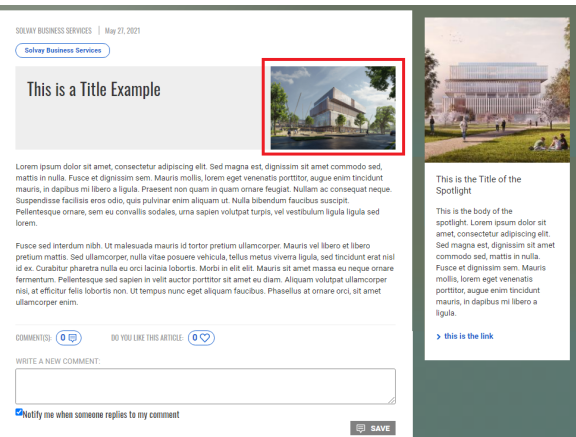

Overview

The picture is used to illustrate the title. It will be displayed right to the title and on your thumbnail article.

BE CAREFUL, you can add GIF pictures inside Solvay ONE. However, we do not recommend you to use them as it is impacting the performance of our website.

In case you really need to insert a GIF, please check its size and optimize it thanks to a tool like : <https://ezgif.com/resize>.

Table of content

In [Creation](#) or [Edition](#) mode of an article, you can add an image by clicking on Picture

It will drop a container so that you can browse the available pictures stored in [Keeppek](#).

You can find more information about Image selection in [this article](#)
