

7. Add Text/Content

Overview

Table of content

The text block is the section where you will insert the content of the editorial.

You can customize the content like if it was a word document

It may contain text, image, video, social media, tables...

- Create content
- Text Formating
 - Bold
 - Italic
 - Strikethrough
 - Superscript
 - Subscript
 - Remove Format
 - Link
 - Unlink
 - Bullet list
 - Numbered List
 - Alignement
 - IFrame
 - Quote
 - Media Embed (image)
 - Media Embed (video)
 - Social Media
 - Table
 - Horizontal Line
 - AODocs

Create content

In [Creation](#) or [Edition mode of an article](#), you can add content by going to the **Text** section

Click on the text block and add your text. You can modify the format of your text (bold, italic, bullet points, subscripts...).
