

Requesting new Business role for Privilege role in WP1 System.

This article is about Requesting new business role for Privilege roles in WP1 system.

Step-by-step guide

Reference link : <https://sbs-support.solvay.com/a/tickets/62499>

In This Ticket Santosh had given wrong BU roles

Case 1 : If we don't find any Business role for User requested T code or Privilege roles in WP1.

Case 2 :

1, First, We need to do analysis from our side, Kindly check from our side if the role is existed or not ??

1. We need to send a separate mail to Gabriele Andrade(gabriela.andrade@solvay.com) ,

Provide her basic info, What User is requested in the Ticket T code or Privilege roles...

S [Silvia.jeleva](#) added a public note

Notified to: santosh.mahapatro-ext@solvay.com, vanda.costa@solvay.com

Hello Santosh,

We would like to open the ticket as some of the requested roles are not copy to the account GUER1939 .
Please add the following two roles in WP1:

ZS_PLFWW_GAC_M028 GACM028- Services invoicing officer - for all company codes
ZS_PLFWW_GAC_M029 GACM029- Service invoicing reporting - for all co codes

Here is the file we track all Intercompany team authorizations (for your reference)
<https://docs.google.com/spreadsheets/d/1zlmr7ncxfm7bFVxmit8Q3BJW-oRte40us-uHX9APt8/edit#gid=34646353>

2, Gabriele will create a new Bu role and assign to the user. or she will add a note within the same Ticket.
