TICKET :-

<https://sbs-support.solvay.com/a/tickets/6018032>

- Suppose if the user is asking access for IBM / AWS System in any of the Mentioned SAP System for example please refer the below attached screenshot

### Need urgently access to IBM ERP - Pre-production ( SF1)

**Isabelle Gervais** reported via the portal

*5 months ago*

Hello,

For the project CoA UAT, I need to perform some tests before the Go Live on 04 October 2021. Can you grant me the access to the IBM ERP - Pre production ( SF1) so that I can test the transactions today

Thanks in advance

Isabelle Lamm- Gervais T+33 3 70 05 59 51

- Then in this case we have to contact to **IT - SAP - AUTHORIZATION TEAM**

Hello Nipun,

Could you please provide access to user: **FR34427**, in IBM SF1.

Thanks,  
Subham
