

Transfer of Energy activity to Speciality Polymers

Scope

- Partial transfer of the assets business in Tavaux under BFC activity **GYAE (ASSETS ENERGY)** from Energy into a new BFC activity under Speciality Polymers GBU
- For the part of the business running in PF1, it represents almost 100% of the activities and it impacts 2 company codes in France: 6080 (SOLVAY FRANCE S.A.) and 6314 (COGEN TAVAUUX)
- For the business running in WP1, we need to transfer all the activities linked to the 8169 plant (cost centers, WBS, assets...)
