1. Objective and Scope

1.1. Objective of this Operation

The purpose of this document is to explain how to perform the Financial Statements for Treasury team for BOA for future leases (Bank of America) for 3384.

The treasury team needs to receive this updated version of the Financial Statements because they have a good relationship with BOA and need to maintain that to future leases if necessary.

Unaudited financial statements are required in most cases for lenders' credit review and ongoing credit for current and future lease opportunities.

1.2. Scope

This procedure is applicable to 3384 in PF1 system.

It is done after quarters during the month, normally until D+10.
