1. Objective and Scope

1.1. Objective of this Operation

This document explains the carry out of the update and upload the Foreign Currencies for Chile Companies using the information available in the Banco Central de Chile.

1.2. Scope

This procedure applies to Chile Companies in WP1.

2. Definitions

See Finance Glossary:

- WP1

3. Tasks description

For legal reason is necessary to update the system with the rates from Banco de Chile.

This procedure describes:

- How to get the exchange rate in the website of Banco de Chile;
- How to input the data in SAP - transaction ZRATEMOD;
- How to check if exchange rates are right -transaction : ZRATE;
- How to save the report image - transaction: OB08.

4. Periodicity

The LCLD exchange rate must be updated every business day at 10:00 am Curitiba time, using the rate from the previous business day.

For monthly exchange rates, LCLS, must be updated on the first business day of each month, using the rate of the previous business day.

These processes are described in detail in the sections below.

Observation

If the exchange rate and/or the site is unavailable please, contact Pilar Galarza from (e-mail: Galarza@solvay.com), in order to request the support and/or informing that the exchange rate will be update as soon as possible.

5. I UPDATE THE RATE - DAILY

5.1. I retrieve the data.
