

Qlikview Access request procedure :

As per the Standard process in order to get access in Qlikview user should raise a request in the Service one through centralized procedure.

Please find below the steps for raising request :

Method 1 :

1. Access Service one, Go to DWP catalog (<https://solvay-dwp.onbmc.com/dwp/app/#/catalog>)
2. Navigate to Catalog tab and choose Browse Categories-->Data Services-->Reporting and Dashboarding-->Dashboarding Tools
3. Select Corporate Dashboard Access Request Form. And select the particular dashboard name and fill the details then submit the request.

As per the process, the request will be submitted and will be sent for Approval for the Dashboard owners. Once it is approved ticket will be created for our Support group to create the access in Qlikview.

Method 2 :

1. Access the below direct link :

<https://solvay-dwp.onbmc.com/dwp/app/#/itemprofile/607>

2. Click on " Request now "

The screenshot shows a web interface for the 'Corporate Dashboard Access Request Form'. At the top, there are navigation links for 'Home', 'Details', 'Favorite', and 'Share'. Below the navigation is a header bar with a database icon and the title 'Corporate Dashboard Access Request Form' with the subtitle 'Data services, Reporting and Dashboarding, Dashboarding Tools'. The main content area is divided into two columns. The left column has a 'Description' section with the text 'Corporate Dashboard Access Request Form'. The right column shows a quantity of 'QTY: 1' and two buttons: a blue 'Request Now' button with a green checkmark, and a grey 'Add to Cart' button with a shopping cart icon. Below these buttons, there is a text field 'Request for: Vaishna VIDHYADHARAN' with an 'Edit' link.

3. Select the particular dashboard name and fill the details then submit the request.
