

# How to access Keepeek

 This page will teach how to access Keepeek.

 If you find issues with your access report to the Authorizations (S&D Auth) team [here](#).

Use the following link: <https://solvay.keepeek.com/>

Keepeek is using a SSO system (Single Sign On) based on your Google account. For this reason, simply press automatic connection.

Note:

You have to Drupal before being able to update any media in Keepeek.
