Co\$ta - Investment reason for WBS

>> Back to the [Co\\$ta project](#) home page

This table is a setting table to maintain the mapping of General reason for investment for WBS.

Update the table in BW

1. Download the file [here](#) and update the mapping between Reason for investment and General reason for investment :

Source System	Reason for investment	General reason for investment	F2G - CAPEX in F2G budgeting scope
<i>Enter a Source System</i> ex: WP1_400	<i>Enter a Reason for investment</i> ex: 2W	<i>Enter a General reason for investment</i> ex: HSE	<i>Enter a CAPEX in F2G budgeting scope</i> ex:

2. Once the file is ready, follow the procedure [Co\\$ta - Flat Files loading](#) to upload it in BW.
