The screenshot shows the SAP GRC Access Control Password Self-Service interface. On the left is a navigation menu with options: Request Access, Request Status, Support, and User Logon. The main content area is titled "Password Self-Service" and includes a "Select Systems" section. Below this, there is a "User Name:" field and three buttons: "Add", "Remove", and "Add All Systems". A table lists the selected systems:

<input type="checkbox"/> Type	System	Short Description	
<input checked="" type="checkbox"/>	SAP	WP1	RCS Production WP1

At the bottom of the interface, there are three buttons: "Submit", "Cancel", and "Re-register". The "Submit" button is highlighted with a red border.
