Summary

Important highlights from this release

Quotes & Price Settings

- When renewing a quote bring products from other quotes to consolidate customer prices into 1 master quote.
- Mass Update Prices through a Spreadsheet
- Possibility to manage prices updates that require a Dynasys upload
- Displaying plant availability in the Add Product
- Improve UI: new tab for rebates and quotes always opened in the details section

Campaign

- Improve sold-to product search at quote creation
- Pricing Managers: possibility to refresh the campaign data on a region scope.
