

# Mecano Grouping

If we are getting a ticket as shown below

Which Corporate dashboard do you need to access? : Industrial;  
 Industrial : Mecano (QlikView);  
 Planning Plant List : [0241-Baltimore, 0246-Blue Island, 0267-Vernon, 0269-Winder];  
 Please choose the language displayed in the dashboard : EN-English;  
 Costs access : Yes;  
 Scorecard access : Yes;  
 Manual indicators and target file access : Yes;  
 Reason to access dashboard : valuable information to support implementation at 2 additional Novocare sites in 2023;  
 Region : AMERICAS;

Check if the group of sites is already exist or not in the site tab

here the planning plant list contain more than one site and we need to group all these site into one group

first check all the sites one by one if we find any group with these four site name we can proceed it , otherwise create a new group

## Create new group

Fill all the necessary fields in the " SHARED FOLDER " tab

**XSITE , XSITE2** - Give new names to the sites

all other column take respective code from the sheets

2. Go to the " SITE " tab

copy the identical rows of each site and paste it in the end of the document

change the values respect to the values entered in the " SHARED FOLDER " tab
