Resolved	Owned	Accepted	Mitigated

Sprint Review

Sprint Retrospective

The screenshot displays a Jira sprint retrospective board with three columns: 'What I liked - TO KEEP', 'What I disliked - TO IMPROVE', and 'Action'. Each item includes a title, a description, and a set of icons for voting and commenting.

What I liked - TO KEEP	What I disliked - TO IMPROVE	Action
peer or small group work meeting to help with bug and questions	No testing session when a new interface is released in Tableau.	Emma to contact Maxime for the interface in Tableau
The Team	Changing naming conventions during project so create some bugs	In Talend: create generic schema for the different tables. -> enable for buffer week before PIS + Discussion with Ram
	Data Ocean
