

# Sprint Retro 3

What went well ( We nailed it)	What to improve on (Oops!)	Action Item
Everyone made progress without me!	punctuality	Having backup plans if I'm not able to attend a DSU at the last minute or unexpectedly.
We have more cards moved to done!		
Daily meetings are staying within our scheduled time		
Better gauge at what can be accomplished in a sprint.		
More comfortable with story pointing		
We all naturally got more comfortable sharing our updates		
Great team, good knowledge sharing sessions		
Updating the JIRA board daily becomes more and more easy and habitual		
Progress is being shown within Jira
