1.1 Objective of this Operation

The objective of this procedure is to describe the process to perform the adjust of the group hierarchy for impairment process based on Actual 0 information.

1.2 Scope

The scope of this procedure is for Consolidated and Non Consolidated Companies.

2. Definitions

See [Finance Glossary](#).

Deadline proposal: Twice a year on September and December.

Description of the task: Analyze and update the group hierarchy.

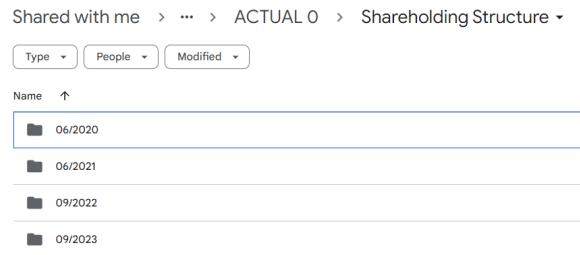

3. Tasks description

3.1 I request the updated file to proceed with the analysis

Before the deadline (September /December) is close, our team should send an email requesting the file so we can work on the update.

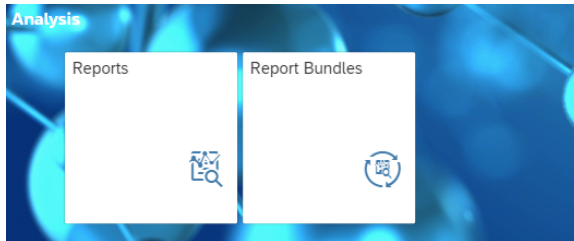

When receive the updated file, create a new folder in our [Google Drive](#), rename with the currently month being analyzed and past the file received.

3.2 I extract the report from BFC

STEP 1

Login BFC with your User and Password and click on **Reports** in Analysis.

STEP 2

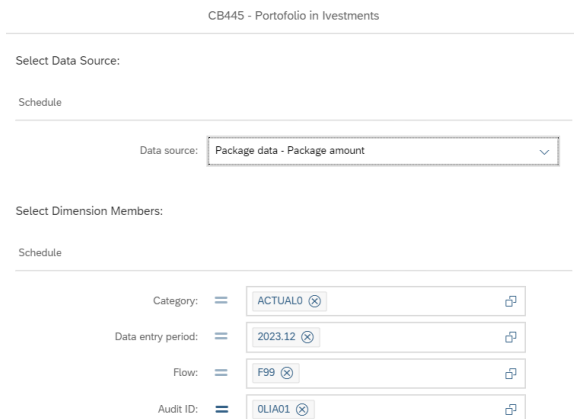

Search for the Report **CB445** "Portfolio in Investments".

STEP 3

Fill in the available fields:

Save the report in the new folder created in our [Google Drive](#).

3.3 I perform the check

STEP 1

Access the **Shareholding Structure** folder in Google Drive, use as an example a file from the previous quarter for the formulas be copied.

Past the file "Shareholding Structure" and rename with the current month.

Shared with me > ... > Shareholding Structure > 09/2023 ▾

STEP 2

Copy data from the report to our working file tab "Extract CB445" > Stretch formula from columns A, B and D (if needed).

STEP 8

In tab **Check ACT0 vs Mother** filter by column B "Insert in Tree", those are the missing lines to be included in the official file "Financial Assets IFRS - June 2023 in KEuros".

💡 If the daughter company is a Non Conso, update the check to "OK" as it will not be included in the Tree.

Before updating the official final, send an email to Anne Calicis asking to check if in fact we can include the missing lines.

> Include comments if applicable in column C.

> She will reply and include comments if applicable un column D.

3.4 I update the Tree

STEP 1

When received a new file from Anne, check her comments to see which lines will be included in the official file Financial Assets IFRS - June 2023 in KEuros.

In the example, we should include 6 lines that are missing and we received the confirmation from Anne with an "OK" in column D.

Code ACT 0 2021.12	Check	SU FA GL Comments	Anne Calicis Comments	Code
5997_8430	Insert in Tree	To be added	Yes	95 - yellow
7988_7725	Insert in Tree	To be added	Yes	234 - orange

74249_84020	Insert in Tree	To be added	Yes	227 - blue
80902_84270	Insert in Tree	To be added	Yes	36 - blue

★ After including the missing lines, insert a comment in column E with the number of the lines that were included as showed in the example. The color mentioned is regarding the level of each company.

STEP 2

Download and open the file **Financial Assets IFRS - June 2023 in KEuros** as the changes should be performed in a Excel file due the retrieves.

Include the new lines companies in the Tree following the rules of levels and update the retrieve so we get the updated information.

The colors in the Tree are based with the level that the company belongs.
