

AODOCS eBAM

AODOCS: eBAM User Guide!

SBS-FSL-TSU-BANK_ACCOUNTS

What is AODOCS eBAM?

AODOCS eBAM is a Bank Account management tool and the unique bank account repository for all Solvay Bank Accounts and correspondent Power of Attorney. This allows all stakeholders visibility over all of the Solvay bank accounts and the possibility to create a Workflow to create/maintain pertaining bank accounts and their information.

This page intends to teach you how to go through each step you need and make your life easier.

Who is it for?

This document is for CAMs, CADs, etc as well as Corporate Treasury, FSL Treasury Service Unit.
