

Procurement Quality

Procurement Quality

General Audits

You are requested to participate to an audit and you are not sure how to prepare for it? No worries! Keep calm and check these

Tips

You will be asked questions during the audit. All in all questions are rather general.

[examples of questions for Leadership team](#)

[examples of questions for buyers/Category Buyer/Manager](#)

We are **auditing the process**, not you.
So **keep calm**, answer the questions and
state clearly if what is requested is not in
your scope.
