

Data Protection Reflexes - GDPR - HR

Data Protection Reflexes

WHAT SHOULD YOU DO?

Data protection reflexes have to be applied by each of us, at Group level.

As an employer, Syensqo collects and processes its employees' personal data. The European General Data Protection Regulation (GDPR) is an opportunity to adapt and improve our way of working as Human Resources, not only for Europe based HR.

- Have you ever wondered which are the best practices on personal data storing, sharing and retention to implement in your day-to-day work? Find the answers in the eLearning: [Personal Data Protection for HR](#)
- You are working closely with Site managers in Europe. Which questions should you ask yourself if you undertake a survey? What to do in case of control of the Data Protection Authority, risk of Data Breach? Check out the eLearning: [Data Privacy Awareness for Site Managers](#)
