I Want to Learn

Learn, Unlearn, Relearn

Our future growth relies on **competitiveness** and innovation, skills and productivity... and these in turn rely on the education of our people.

Julia Gillard, former Prime Minister of Australia.

The Procurement Academy

The Procurement Academy is a Global Learning Path for the Procurement Family. Its purpose is to enhance the right set of strategic competencies and achieve a higher level of expertise, developing skills and strengthening capabilities along the core procurement process (SPP).

Check Your Agenda Before Registering for a Virtual Course

We are facing more and more 'no shows' to virtual classes.

When registering for a course, keep in mind that a trainer is working on it for you and will block some of his / her time to make sure you can attend the course that is proposed. Cancelling at the last minute or no showing up at all may affect the quality of the course. It is also a lack of respect towards the trainer and the other participants.

IT ONLY TAKE A MINUTE TO DROP THE COURSE YOU HAVE REGISTERED TO.

Keep in mind that a cancellation fee up to EUR 1 500,00 can be imposed to your service in case of late cancellation.
