

RTR Master Data

[Finance Data and Reporting Wiki](#)

[Here](#) is the link to the Wiki for RTR and Finance master data

If you wish to manage Finance master data click on the image bellow.

Do you need to manage Finance master data (WP1, PF1, PI1 systems*)?

- Need a new profit center, cost center or general ledger account?
- Need to update the general ledger account tax code?
- Need to change the cost center responsible?
- Need to lock/unlock a cost center or a general ledger account?

Submit your request via SAP Workflow in PRS (PF1-050), following below **instructions**.
