Import Process - Air

Import Process – Customs Clearance to Delivery

Import Process – Estimated Cargo Availability for Pick-up

1. Air Shipments – 1 to 2 working days
2. Ocean Full Container Load (FCL) Shipments – 2 to 3 working days
3. Ocean Less Container Load (LCL) Shipments – 7 to 10 working days

Import Process – Check List upon Placing an Order

1. If product has never been imported into the US or Canada, please consult your Product Steward (Bob Tillotson).
2. If product was previously brought in as a sample and now ready for commercial quantity, please consult your Product Steward.
3. If shipment is by ocean and to be discharged at a US seaport, please request ISF (Importer Security Filing) information, from your supplier, 48 hours prior to vessel departure. Please see Sample ISF Form, below.
4. If Solvay USA Inc. is the Importer of Record, Consignee and Buyer will be Solvay USA Inc. on all shipping documents. The customer should be listed, as the "Ship To Party".
5. Required Shipping Documents for Imports

1. Carrier's Airway bill or Rated Ocean bill of lading
2. Invoice, packing list, COA
3. If it is a GSP Product, Certificate of Origin is required, from Origin Country
4. Signed USDA letter on Manufacturer's letterhead (for Air Shipments). Please see [appendix B](#) for sample of USDA Letter.
