

SBS - CCT - How to contribute

In this page you find what you need to:

1. become a new contributor
2. create and approve an operating procedure

1

Be trained

To become an efficient contributor and know good practices, it is highly recommended to attend a training.

Training →

2

Request access

You can find all information on how you can request access in "Contacts"

Contacts →

3

Read the rules

Before starting your contribution, make sure you are well aware of the rules.
