

MSP: Homepage

Definition

This capability allows user customers to use My Syensqo Portal Homepage functionalities.

Table of contents

- [Accessing points](#)
 - [Data Model & Security](#)

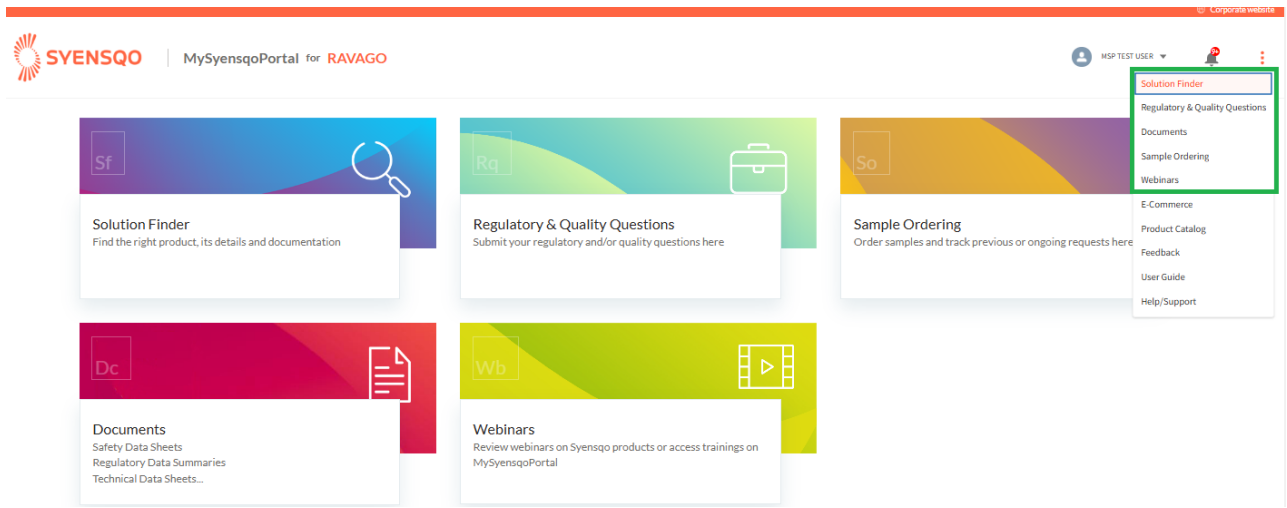

Accessing points

The following tiles are available on the Homepage body:

- [Solution Finder](#)
 - [Regulatory and Quality Questions \(not available for R&I Marketing personas\)](#)
 - [Sample Ordering](#)
 - [Documents](#)
 - [Webinars](#)
 - [Formulation Finder](#)
- Banner appears below the tiles

The screenshot displays the MySyensqoPortal for AZELIS homepage. At the top, there is a header with the Syensqo logo and the text 'MySyensqoPortal for AZELIS'. To the right of the header, there are icons for 'Email', a notification bell, and a three-dot menu. Below the header is a grid of six tiles, each representing a different functionality: 'Solution Finder' (Sf), 'Regulatory & Quality Questions' (Rq), 'Sample Ordering' (So), 'Documents' (Dc), 'Webinars' (Wb), and 'Formulation Finder' (Ff). Each tile includes a brief description of the service. Below the grid is a carousel of three 'On demand webinar' banners, each with a 'See more' button. The footer contains the Syensqo logo, navigation links for 'Help/Support', 'Feedback', 'User Guide', 'Product Catalog', and 'E-Commerce', and legal notices including 'Syensqo's Privacy & Cookie Policy', 'Disclaimer', and 'Terms and Conditions and Legal Notes'. The footer also includes the copyright notice '© Syensqo 2023'.

The same options are also available from the 3 dots menu next to the notification bell:

Footer links:

- [Help/Support](#)
- [Feedback](#)
- [User Guide](#)
- [Product Catalog](#)
- [E-Commerce](#)
- [Syensqo's Privacy & Cookie Policy](#)
- [Disclaimer](#)
- [Terms and Conditions and Legal Notes](#)

Data Model & Security

- R&Q Questions is hidden when contact MSP Persona is R&I/ Marketing
- Banner visibility is controlled in the utility object ([more details here](#))
