 - **FixVersion** contains bugfix/* (see Bugfix fixversion process in [Bugfix Weekly Activities Planning](#))
 - **Type of the ticket** is bug
 - **Status** is closed, done or released

Important Considerations

- If you don't see a ticket in the respective dashboard, ensure the ticket matches the criteria defined for each dashboard.
- Upon new releases, dashboards are updated by RM.
- Contact RM if you cannot see the content of a dashboard, access will be provided.
