

Product Stewardship - All Syensqo registrations (REACH, K-REACH, China, . . .) - (updated)

Awesome table including all Registration dossiers for all GBUs

This awesome table was built to have an overview of all Registration dossiers for all GBUs. For the moment it includes REACH, K-REACH and China. In next steps, Turkey REACH, UK-REACH and Eurasian notifications will be added.

You can search a dossier by CAS or EC number or different filters (GBU, legal entity . . .)
