01.2021 - KITRY-BI4 decomissionned

Le lun. 4 janv. 2021 à 10:21, DE-ZEEUW, Laurence <laurence.de-zeeuw@solvay.com> a écrit :

Hello Jérôme

as requested, all BI4 access has been removed for KITRY BI4 universe since 24/12/2020.

The removal of the Oracle database is taken by the Infra team in the perimeter of the KITRY application decommissioning (not BI4, but Kitry application itself).

[Roadmap](#)

From mid 2020, KITRY application itself (source of BI4-Kitry) will move to cloud and will provide a reporting add-on.

BI4-Kitry will be abandoned once the Kitry-Cloud version will be implemented

[Contact](#)

KITRY application owner : Christophe ROULLET (doctor) <christophe.roullet@solvay.com>

IS HSE Expert : Jerome POMMET <jerome.pommet@solvay.com>

BI4 contact : Saints ZHANG - **Only Saints ZHANG is granted to work with Kitry universe because he agree for a confidentiality clause (NDA)**

[Overview](#)

The KITRY application deals with medical history of employees.

Data in this application are confidential and can not be disclosed

SAP BI 4.1

KITRYPRD
Schema
ux12db

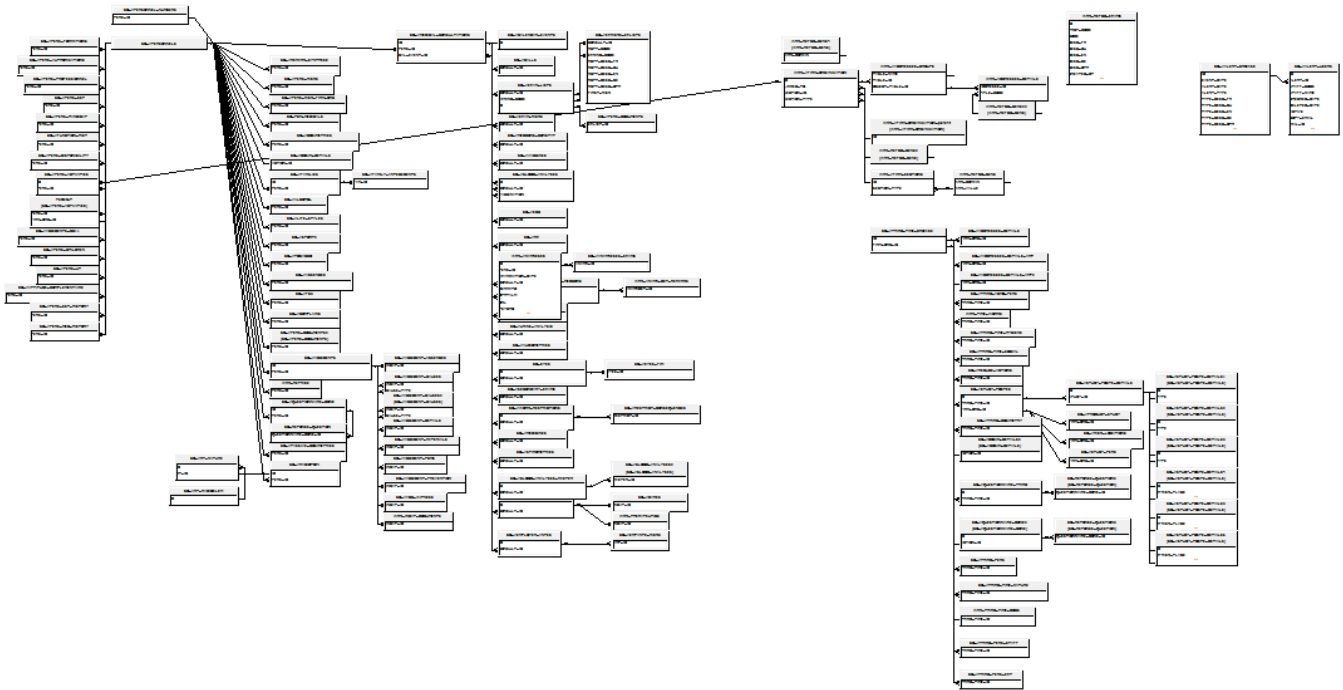

This universe has been provided AS IS by the Kitry company
