

# Value Field

[Business Term Status](#) | [Business Term Definition](#) | [Roles](#) | [Data Sources, Type and Classification](#) | [Data Protection and Update Frequency](#) | [Related Business Terms](#)

## Business Term Status

The Business Term is currently **validated** by the Data Governance Committee.

## Business Term Definition

Value fields are only required in costing-based Profitability Analysis. These are the fields that contain the currency amounts and quantities that you want to analyze in CO-PA. They represent the structure of your costs and revenues. The Characteristics with Value Fields form Profitability Segment.
