

Salary

Business Term Status

The Business Term is currently **waiting approval** by the Data Governance Committee.

Business Term Definition

Amount paid to employees for the execution of their core job responsibilities and duties, defined by local market practices and/or local legislation. All employees receive a base payment established on the Employee's contract that may or may not include any type of Benefits and Allowances depending on the Country and/ or Work Category.

(This refers to the gross theoretical amount, which can be subject to prorations)
