STRUCTURE FOR PURCHASING

Business Term Definition

Y Purchasing organizations were defined and implemented group-wide, to simplify their related list, to share common ones whatever the system used (PF1_020 or WP1_400 or BP2_400 or WBP_400), to streamline processes by linking them to the scope and country of the company.

Business Term	Description	Link
Purchasing Organization	Purchasing organizations are organizational units that subdivide the enterprise according to the purchasing requirements. They procure goods or services, negotiate purchasing conditions with suppliers, and assume responsibility for these transactions. They are divided into three types - procurement, sales (related to trading) and finance (related to intercompany movement) -.	Purchasing Organization
