

Business Glossary Training Materials

Welcome to the Business Glossary Training Materials Page!

This resource is designed to help you understand the importance of a Business Glossary and how it supports data consistency and alignment across Solvay.

Here, you will find training videos that provide step-by-step guidance, FAQs addressing common questions, and relevant documents such as slides and reference guides to support your learning.

Whether you're new to the concept or looking to enhance your knowledge, these materials will equip you with the essential skills to navigate and maintain a well-structured Business Glossary effectively.
