

# Archived - Currency Report (Sales Performance)

**IS Reporting Coordinator**

Charlotte Rollier

**D&PS Expert**

EMEA: Stéphane Bourgeaud-lignon

NAM/LAM: Karina Tsuji

APAC: Lilian Cheong

## General Description

The Sales Performance Currency Report can be used to see the local invoice document currency for all sales for multiple dimensions. The highlighted columns below all correspond to the indicated currency in the "Revenue KCURR" column. Also available is the standard conversion to either Euros or USD as selected on the top right of the dashboard. The indicators are pre-selected on this report. For more information on using a "report" page, please see [Sales Performance Report](#).

Orderbook		SALES PERFORMANCE REPORT		Intra-Group	Consolidated	Margin type	
Highlights	Report	Indicators are displayed using document Currency		Y	N	Cost
