

# Procurement Rates

Please note that below information is confidential and cannot be disclosed out of Solvay's organization.

General Description
The Purchasing Logistics Rates tool was developed to facilitate accesses to negotiated freight rates for Pre-Carriage, Ocean and Airfreight, as well as key information on transit time, routing and SAP routes.
<a href="#">Sea Freight</a>
<a href="#">Airfreight</a>
Access to raw data from Qlikview data base ( <a href="#">Link</a> ).

Authorization & Rights
All the accesses must be validated by:
<b>Overseas Team</b>
<ul style="list-style-type: none"><li>◦ EMEA : Marco Boom</li><li>◦ NAM : Catrina Phelan</li><li>◦ APAC : Sean Zhang</li><li>◦ LATAM : Elisabete Santos</li></ul>
Click here for the <a href="#">Access form</a> to get access to the Purchasing Logistics Rates Dashboard.
