

Qlik Sense - Introduction

Note

Depending on the dashboard and perimeter you select, a request will be sent to the dashboard owner for approval.

Google Chrome : If you have issues with the zoom or screenshot features, [clear cache & cookies](#).

Getting Started

To get started on the QlikSense:

1. Go to the QlikSense Access Point : <https://qliksense.solvay.com>

Qlik Sense - The Hub

The screenshot shows the Qlik Sense 'The Hub' interface. On the left is a sidebar with a user profile 'LLCheong', a 'Streams' dropdown, and a list of streams: 'Everyone', 'SBS', and 'SDE'. The 'SBS' stream is selected. The main area displays three dashboards under the 'SBS' stream: 'SBS - Customer Credit & Trade', 'SBS - Global', and 'SBS - Purchasing'. Each dashboard has a Venn diagram icon. A box labeled 'Dashboards containing different sheets of data' has arrows pointing to these three dashboards. On the right, there is a search bar with a magnifying glass icon and a dropdown menu showing 'Alphabetically'. Below the search bar are icons for sorting and viewing options.

1. This section of the page shows your login ID and the list of Streams you are having access to

2. After you have selected a dashboard in this example "SBS", you will see all the "sheets" containing relevant data that are available in the selected dashboard

3. Menu Button
4. Search Button
5. Sort Pages by Alphabetically/Created Date/Published Date
6. Display pages by grid/list view
