

Qlik Sense - Introduction

Note

Depending on the dashboard and perimeter you select, a request will be sent to the dashboard owner for approval.

Google Chrome : If you have issues with the zoom or screenshot features, [clear cache & cookies](#).

Getting Started

To get started on the QlikSense:

1. Go to the QlikSense Access Point : <https://qliksense.solvay.com>

Qlik Sense - The Hub

The screenshot displays the Qlik Sense interface. On the left, a sidebar shows the user 'LLCheong' and a list of streams: 'Everyone', 'SBS', and 'SDE'. The 'SBS' stream is selected. The main area shows three dashboards: 'SBS - Customer Credit & Trade', 'SBS - Global', and 'SBS - Purchasing'. A search bar and a menu button are visible at the top right. Annotations with red boxes and arrows point to these elements.

1. This section of the page shows your login ID and the list of Streams you are having access to

2. After you have selected a dashboard in this example "SBS", you will see all the "sheets" containing relevant data that are available in the selected dashboard

3. Menu Button

4. Search Button

5. Sort Pages by Alphabetically/Created Date/Published Date

6. Display pages by grid/list view
