Calculation	
Number of Projects Surveyed	Number of projects closed (A,B,C) for which the Project Manager conducted a successful stakeholder satisfaction survey.**If a project with a customer satisfaction score is -1% or -0,5%, they refer to an "irrelevant" project (meaning that the project had been stopped or frozen, etc.). These are not calculated in "projects surveyed"
% Projects Surveyed	Number of projects surveyed versus the number of projects that are subject to be surveyed (total closed A,B,C projects)
