

GBS Finance Service Line Home page

Welcome to the Finance Service Line Space!

The Finance Service Line space is your comprehensive resource for all procedures related to financial management within GBS. Designed to support our finance employees, this platform offers a wealth of information to enhance your efficiency and expertise.

You will find:

In-depth articles on financial accounting, management accounting, and country accounting. And our worldwide organization process design (OPD).

Get Started:

Use the search bar to find specific topics or browse through our categories to discover new insights. Whether you're looking for detailed explanations or quick tips, the Finance Service Line space is here to support your journey.
