Market Intelligence

Newsletters

Following the increasing needs for market insights, Procurement Analyst Team is writing monthly a newsletter for different types of commodities

Raw Materials

[Raw Materials Newsletters](#)

Energy

Energy prices for multiple countries can be followed through the Energy Newsletter.

[All Energy Newsletters](#)

Metals

Currently we have monthly newsletters for Carbon steel, Stainless steel, Copper, Aluminum and all Scrap metals.

Feedstock Price Tableau Dashboard

The Procurement Feedstock Dashboard is your one-stop resource for raw material price trends and forecasts — updated monthly and included in this newsletter.

Why?

With the dashboard, you can:

- View **historical price charts** and **future forecasts**
- See **exact monthly price points**
- Download data as **images** or **Excel files**

What?

- Monthly updated prices of 10 key materials, including forward-looking forecasts.
- Most materials include forecasts through 2026 to support your budgeting.

Businesses Finance Reports

Syensqo is working with [Moody's](#) to offer visibility on finance health of a business to all buyers.

To request a new report, please refer to the following procedure.

WHAT NEEDS TO BE INCLUDED IN YOUR REQUEST?

- Company name, Full Address and VAT number
- Reason why you need the report (new supplier assessment, current supplier assessment)

INDICATE THE INFORMATION YOU ARE LOOKING FOR, AS FULL REPORTS ARE QUITE EXTENSIVE:

- Probability of default, Credit limit, Financial information, Company ownership & structure, ...

TO WHOM I ASK A REPORT?

- Procurement Process & Performance team: etienne.cousin@syensqo.com
-
