

Convergence

Convergence

The Collaborative Platform

Why?

To have a 360° view of all suppliers / accounts that is accessible to all procurement members in charge.

What?

Convergence (Salesforce) is a Supplier Relationship Management (SRM) solution. It is one integrated SRM platform that helps the support the Syensqo Procurement Process.

Convergence is a collaborative cloud based platform that helps you or your colleagues / team members have a single, shared view of every Account.

The main objectives of Convergence are:

- To simplify and provide a single worldwide collaborative platform to all buyers to manage Suppliers, Categories (Segment) and to store and share documents.
- To provide suppliers and category/segment scorecards, and Solvay Way KPIs.
