

Access Request for Github and Github Copilot

Syra Link - <https://syensgo-dwp.onbmc.com/dwp/rest/share/OJSXG33VOJRWKVDZOBST2U2CL5IFET2GJFGEKJTUMVXGC3TUJFSD2QKHI5AUISZQGNCDITBRJ5AVGN2JJ43VOUZXFHTOV2BHBKVEJTSMVZW65LSMNSUSZB5GEZDEMBGMNXW45DFPB2F16LQMU6UGQKUIFGE6R27JBHU2RI=>

Steps to follow -

1. Click on Request Now

The screenshot shows the 'Details' page for an 'Application Access Request (Generic)'. The page has a dark red header with a back arrow, 'Details', 'Favorite', and 'Share' options. Below the header is a description of the request. On the right side, there is a 'Quantity: 1' label and a 'Request now' button highlighted with a green box. Below it is an 'Add to Cart' button. At the bottom, it says 'Request for: Tanish Bhola' with an 'Edit' link.

2. Verify you details and press next button

The screenshot shows the 'Checkout' page for the 'Application Access Request (Generic)'. The page has a dark red header with a back arrow, 'Application Access Request (Generic)', and 'Checkout'. Below the header is a form with several input fields: 'Job Function' (Analyst/Specialist/Expert), 'Country' (India), 'Office Phone' (###), 'Mobile Phone', and 'Security Flags'. At the bottom right, there is a 'Next' button highlighted with a green box. On the right side, there are 'Submit request' and 'Save and close' buttons, and a 'Collaborators' section.

3. Please select the application - Github & Github Copilot and give proper justification and submit request

Request for [Edit](#) Quantity
Tanish Bhola 1

Q Github & Github Copilot

Additional Information *(required)*

<Please provide a clear justification for why access is necessary>

Submit request

Save and close

Collaborators

Follow this document to raise the request - [GitHub access process - Google Docs](#)

If you face any challenges you can drop an email to Derek Yang (Github Service Owner) and Tanish bhola (DevOps Engineer) to get this access. You need access on your normal account to Github, not on SQO.

Once you are able to access Github and drop an email to DataEngineerAzure@syensqo.com to get repository access for SySight Project

Link for Github: <https://github.com/SQO-SySight>
