How should answer any questions you have about your time management:

For your questions/doubts/concerns with your Manager. Help them understand and support you;
[Contact center](#) will support you for more details;
If you have an error in your pay as a result of an error in time management, please raise a [ticket](#) or call the [contact center](#);

CHANGE IN THE FUTURE?

Changes being implemented in the next couple of months, here is what to expect:

Self-service tool is being implemented that will give you direct access to updated information.
Countries/sites have implemented a self-service tool. To know more about this topic, please visit your country/site page [here](#).

Used by you as an employee to enter leaves and/or time events and requests.

The "Time Management App" can be accessed through "MY HR SERVICES" via Syensqo's The Hub:

Please be redirected to My HR Services]

See the header above:

My HR Services

MY HR SERVICES

con labeled "TimeApps":

here are 5 tiles available on the Time Management App, but this can depend on your access. For example, you may or may not have "events" due to your country specifications.

in the Time Management App:

and Time Requests;
 Events (clock in & clock out);
 Statements;
 Calendar;
 schedule.

in of absences & attendances;
 re events (if applicable);
 or work schedule substitution.
