Application Access Request (Generic)

The screenshot shows the "Application Access Request (Generic)" checkout form. The header includes the SV|RA logo and navigation links: Home, Service Catalog, My Activity, and GBS & IT Contacts. The form is titled "Application Access Request (Generic)" and "Checkout". It includes a "Request for" field with the value "Swayambhu Mangala..." and a "Quantity" field with the value "1". The form is divided into sections:

- User Details**: A section for user information.
- Request Details**: A section for request information, including:
 - Type of Request (required)**: A dropdown menu with "User Creation" selected.
 - Please select the application (required)**: A search bar with "Frontify" selected.
 - Additional Information (required)**: A text area with a red border and a warning icon.
 - Managed by Group ID**: A text field with the value "SGP00000002813".

 On the right side of the form, there are buttons for "Submit request", "Save and close", and a "Collaborators" dropdown menu.

Once request has been submitted, we will provide access.
